

Telecommunications Relay Service Account Access Authorization Armed Forces Bank

I will be using a Telecommunications Relay Service (TRS) to conduct business with Armed Forces Bank. I authorize the bank to provide account information on my behalf to a TRS Communications Assistant.

I understand that the bank will work only with a relay service who meets the mandatory minimum requirements set by the Federal Communications Commission for Telecommunications Relay Services providers. I also understand that it is my responsibility to select an appropriate TRS provider for the purposes of conducting business with the bank.

Verification of Account Ownership

I have included a photo copy of a current state-issued photo ID to verify that I am owner of the account(s) listed below. Return the form to info@afbank.com.

Accounts Covered by this TRS Authorization

The following account numbers are covered by this authorization:

Account Type					Account Number
